

Ecosystem

Regulatory Justice Initiative

Expanding Access to Small Business Opportunity Cohort

- Partnership between the Mayors Innovation Project and Cities Work
- Began in November 2025 through June 2026
- Six cities across the country
- Partnered with RDA and Collider
- Analysis of the city's regulatory environment
- Reform recommendations, including how to reduce regulatory burdens

Recommendations from Regulatory Justice Initiative

- Establish a One-Stop Shop for restaurants and other small businesses
- What to know before signing a contract?
 - Development of an inspection checklist
- Examine Home-Based Business requirements
